• You agree to provide us all income and deductible expense information. If you receive additional information after we begin working on your return, you will contact us immediately to ensure your completed tax returns contain all relevant information.

• You affirm that all expenses or other deduction amounts are accurate and that you have all required supporting written records. In some cases, we will ask to review your documentation.

• You must be able to provide written records of all items included on your return if audited by either the IRS or state tax authority. We can provide guidance concerning what evidence is acceptable.

· You must review the return carefully before signing to make sure the information is correct.

• Fees must be paid before your tax return is delivered to you or filed for you. If you terminate this engagement before completion, you agree to pay a fee for work completed. A retainer is required for preparation of late returns.

· You should keep a copy of your tax return and any related tax documents. You may be assessed a fee if you request a copy in the future.

• You acknowledge that you are responsible for paying any outstanding tax liability by April 15, 2024 (regardless of an extension) or you may be subject to penalties and/or interest.
